Public Works Projects Registration (PWC-100) for all Awarding Agencies

Welcome to the PWC 100 form online application page. The PWC 100 form should be completed by the awarding body. The completion and the submission of this form fulfills the required public works project award notification as required by Labor Code sec. 1773.3 (replacing former DAS-13 notification) and 8 Cal. Code Reg. sec. 16451(a).

An awarding body or body awarding the contract means department, board, authority, officer or agent awarding a contract for public work. In most cases the awarding body is a unit of state or local government, such as a city, county, school district, water district, special district, or a state agency. However, in some cases the body awarding the contract may be a private entity that uses public funds for a public works construction project.

SKILLED AND TRAINED WORKFORCE (STW)

Some public works projects require that contractors (& their subcontractors) utilize a "skilled and trained workforce" to complete the project.

For those projects, all workers in "apprenticeable occupations" must either be:

- registered apprentices or
- skilled journeypersons.

A certain percentage (30-60%) of skilled journeypersons must also be graduates of Department of Apprenticeship Standardsapproved programs.

WHAT IS A SKILLED JOURNEYPERSON?

A worker who EITHER:

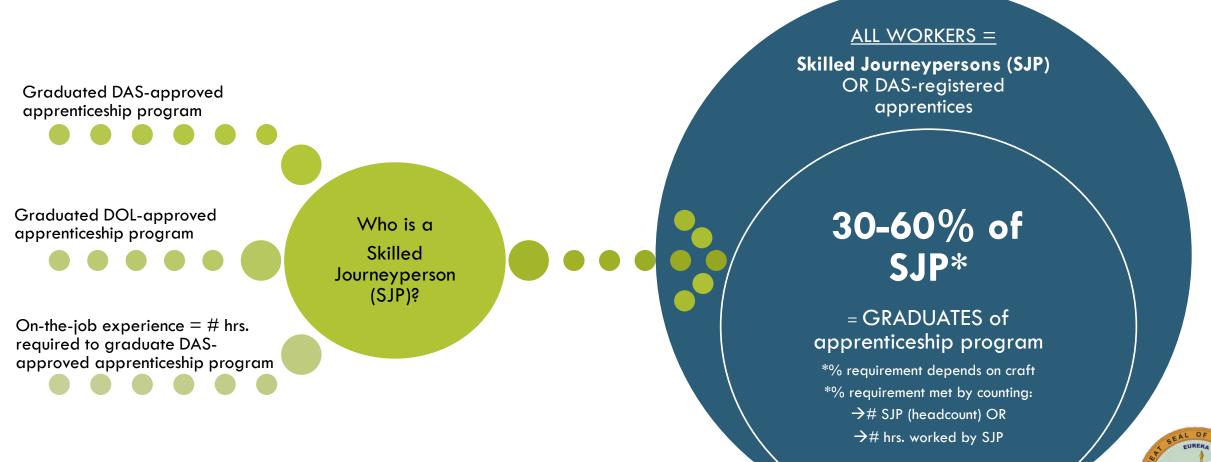

- Graduated from a DAS-approved apprenticeship program for the applicable occupation or DOLapproved apprenticeship program outside California; OR
- Has at least as many hours of on-the-job-experience in the applicable occupation as would be required to graduate from a DAS-approved apprenticeship program

In addition:

- 30%-60% of ALL Skilled Journeypersons must be graduates of an apprenticeship program.
 - Percentage requirement varies depending on the specific craft.
 - Percentage requirement does not apply where minimal amount of work is performed.

WHAT IS A "SKILLED AND TRAINED WORKFORCE"?

LABOR COMMISSIONER ENFORCEMENT OF NEW STW REQUIREMENTS

- Contractors on projects requiring STW must submit a monthly report to the awarding body ("AB") demonstrating compliance.
- If a monthly report does not demonstrate compliance, the AB is required to forward it to the Labor Commissioner for issuance of a Civil Wage and Penalty Assessment ("CWPA").
- Penalties up to \$5,000 per month of work performed in violation of the STW requirements can be assessed against the contractors.

WORKPLACE POSTINGS

Workplace Postings

In California, all employers must meet workplace posting obligations. Workplace postings are usually available at no cost from the requiring agency. The Department of Industrial Relations requires employers to post information related to wages, hours and working conditions in an area frequented by employees where it may be easily read during the workday. Additional posting requirements apply to some workplaces. For a list of available safety and health postings, visit the Cal/OSHA publications page.

For more information , see answers to frequently asked questions about workplace postings.

Downloaded posters meet an employer's legal obligation.
