# Assessing Resources, Needs, & Gaps

- » Learn about effective mobile crisis and best practices.
- » Assess need and resources for a mobile crisis service in your community.
- » Consider who, what, when, where, why, and how for possible mobile crisis response.
- » Consider how mobile crisis response will fit with other crisis (and non-crisis) services.
- » Consider how it will link with other system transformations currently underway.
- » Identify best practices that are relevant and applicable in your community.

# Assessing Resources, Needs, & Gaps

Involve stakeholders.

Write it down—use a mix of quantitative and qualitative information—and get feedback.

The Assessment should inform the Action Plan.

# Action Plan Requirements

What should be in the Action Plan?

Introduction  
and summary  
of Community  
Assessment

Community  
vision and  
goals

Objectives,  
including  
milestone(s),  
timeline,  
responsible party,  
and evaluation

If applying  
for infrastructure  
funds, Plan  
must include an  
implementation  
grant application  
and deliverable  
schedule for  
these funds.
