

Behavioral Health Infrastructure Bond Act of 2024 BHCIP Bond Rounds Public Listening Session

Marlies Perez, Division Chief
Community Services Division
Department of Health Care Services

April 19, 2024

Public Listening Session Format

For each topic, DHCS will:

1. Present the information specified in the Behavioral Health Infrastructure Bond Act of 2024 (BHIBA) for BHCIP funding.
2. Solicit stakeholder feedback via the prompt(s).

*Please note: DHCS is **gathering information** and will not be responding to questions during the public listening session. We will only offer points of clarification.*

How to Provide Feedback

1. Type your feedback/comments in the Q&A box (click the icon located on your control panel).
2. Send an email to BHTinfo@dhcs.ca.gov with the subject line “Public Listening Session.” Feedback will be accepted through **April 24, 2024**. Feedback received after this date will still be considered, but not included in the summary document.

Current Challenges Facing California

Serious Mental Illness & Substance Use

- » **1 in 20 adults** is living with a serious mental illness (SMI).
- » **1 in 13 children** has a serious emotional disturbance (SED).
- » 30% of youth 12 to 24 years of age experience serious **psychological distress**.
- » Veterans experience higher rates of suicide, mental illness, and substance abuse.
- » **1 in 10 Californians** meet the criteria for a substance use disorder (SUD).

Intersection with Homelessness

- » **82% of Californians** experiencing homelessness reported having a serious mental health condition.
- » 27% of individuals experiencing homelessness have been **hospitalized for a mental health condition**.
- » Nearly two-thirds (65%) had a period in their life in which they regularly used illicit drugs.
- » In 2020, there were **over 10,000 veterans** experiencing homelessness.
- » Limited care facilities contributes to the **growing crisis of homelessness and incarceration** among those with a mental health disorder.

Behavioral Health Transformation

In March, California voters passed Proposition 1, a two-bill package to modernize the state's behavioral health care system, including substantial investment in housing for people with behavioral health care needs.

Behavioral Health Services Act ([SB 326](#))

- » Reforming behavioral health care funding to provide services to those with the most serious mental illness & to treat substance use disorders.
- » Expanding the behavioral health workforce to reflect and connect with California's diverse population.
- » Focusing on outcomes, accountability, and equity.

Behavioral Health Infrastructure Bond Act ([AB 531](#))

- » Funding behavioral health treatment beds, supportive housing, and community sites.
- » Directing funding for housing for veterans with behavioral health needs.

Behavioral Health Infrastructure Bond Act (AB 531)

This bill allocates \$6.38 billion general obligation bond, which will fund the following:

DHCS

- » Up to \$4.4 billion for grants towards **behavioral health treatment settings**
- » Of the total amount available, \$1.5 billion, with **\$30 million set aside for tribes**, will be awarded through competitive grants to counties, cities and tribal entities

Department of Housing and Community Development

- » Up to \$1.065 billion in **housing investments for veterans** experiencing or at risk of homelessness who have behavioral health conditions
- » Up to \$922 million in housing investments for **persons at risk of homelessness** who have behavioral health conditions

BHCIP Overview

Round 3 - Round 5 BHCIP Guiding Principles and Priorities

Invest

In behavioral health and community care options that advance racial equity.

Seek

Geographic equity of behavioral health and community care options.

Address

Urgent gaps in the care continuum for people with behavioral health conditions, including seniors, adults with disabilities, children, and youth.

Increase

Options across the life span that serve as an alternative to incarceration, hospitalization, homelessness, and institutionalization.

Round 3 - Round 5 BHCIP Guiding Principles and Priorities

Meet

The needs of vulnerable populations with the greatest barriers to access, including people experiencing homelessness and justice involvement.

Ensure

Care can be provided in the least restrictive settings to support community integration, choice, and autonomy.

Leverage

County and Medi-Cal investments to support ongoing sustainability.

Leverage

The historic state investments in housing and homelessness.
