

CCMU IMPLEMENTATION GRANTEE AWARDS 5.2024

CRISIS CARE MOBILE UNITS PROGRAM

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
1	Alameda County Behavioral Health Care Services	\$ 805,040.00	Alameda County Behavioral Health has planned to upgrade communication devices for existing mobile crisis teams, fund marketing materials, and increase capacity for outreach and engagement teams who provide post crisis follow up services.	Alameda	Implementation
2	Amador County Behavioral Health	\$ 860,480.00	This project's goals are to expand available hours of the current Amador County Mobile Support Team and provide training (e.g., crisis intervention and peer specialist certification) to all team members.	Amador	Implementation
3	City and County of San Francisco	\$1,925,917.00	The program expands the quality, scope, and impact of San Francisco's comprehensive crisis services, which provide mobile crisis response for all ages. The project includes a new mobile health clinic, allowing psychiatric nurses to address minor medical issues during mobile crisis field visits.	San Francisco	Implementation
4	City of Berkeley	\$ 1,250,000.00	This project's activities include obtaining three new crisis response transport vehicles and equipment, staffing enhancement to Specialized Care Unit (SCU) teams, data systems and evaluation planning, as well as training opportunities for SCU teams and area first responders.	Alameda	Implementation
5	County of Butte	\$ 2,785,898.00	This grant allows the Chico Police Department and Butte County Sheriff's Office South County and North County Co-Responder teams to provide services 24/7 and establish additional teams in Paradise and Oroville.	Butte	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
6	County of Calaveras	\$ 1,232,120.00	Calaveras County's project includes strategic planning with community partners and creating an action plan for a sustainable mobile crisis team to serve this rural community.	Calaveras	Implementation (Transitioned from Planning Grantee in 2023)
7	County of Contra Costa, on behalf of the Behavioral Health Division, Health Services Department	\$ 3,506,814.00	Contra Costa's goal is to expand regional mobile crisis services to be available to anyone, anywhere, and at any time to ensure consistency with the community-designed A3 initiative.	Contra Costa	Implementation
8	County of Del Norte	\$ 2,011,460.00	Del Norte is conducting a community needs assessment, convening stakeholder workgroups, and developing an action plan, with the goal of building a mobile crisis unit.	Del Norte	Implementation (Transitioned from Planning Grantee in 2023)
9	County of El Dorado	\$ 1,276,080.00	El Dorado is developing an action plan for community crisis response to prevent and divert individuals from the emergency department and criminal justice system.	El Dorado	Implementation (Transitioned from Planning Grantee in 2023)
10	County of Fresno	\$ 1,503,437.00	This funding expands Fresno County's Crisis System of Care (FCCSC) to ensure follow-up for all crisis encounters with individuals 25 years of age and younger and provides training for the FCCSC in best practices for youth in crisis.	Fresno	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
11	County of Humboldt	\$985,063.00	Humboldt County's CCMU is expanding behavioral health support, prioritizing services to individuals 25 and younger. Activities include screening, assessment, crisis de-escalation and resolution, care coordination, discharge planning, child and family team meeting facilitation, and peer support.	Humboldt	Implementation
12	County of Inyo	\$1,235,684.00	With community collaboration, Inyo is developing an action plan to better serve clients in crisis, specifically clients under 25 years of age and clients at risk of justice system involvement.	Inyo	Implementation (Transitioned from Planning Grantee in 2023)
13	County of Kings	\$1,941,444.00	Kings County seeks to better understand psychiatric crisis among youth and young adults, using that knowledge to develop an action plan for mobilized crisis supports.	Kings	Implementation (Transitioned from Planning Grantee in 2023)
14	County of Lake	\$763,177.00	Lake county will use CCMU funding to help build on its mobile crisis unit's infrastructure. The funding will allow Lake County to provide access to services in which may not be easily accessible due to our rural and remote county.	Lake	Implementation
15	County of Lassen	\$1,000,000.00	Lassen County is using the CCMU grant funds to enhance our infrastructure by purchasing six safety vehicles with standard modifications, procure field communications for CCMU, enhance dispatch services, and provide CIT training to community partners.	Lassen	Implementation
16	County of Madera	\$3,895,070.00	Madera County is adding two new mobile crisis teams and enhancing an existing team, with a focus on reducing psychiatric hospitalizations, preventing involvement with criminal justice, and delivering quality services.	Madera	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
17	County of Marin	\$2,445,523.00	In Marin County, CCMU funding supports infrastructure development, expanding the number of mobile crisis response teams from one to two. One-time purchases and infrastructure costs are included.	Marin	Implementation
18	County of Mono	\$690,000.00	In partnership with law enforcement and emergency medical services, this project supports mobile crisis response in all the remote corners of frontier Mono County.	Mono	Implementation
19	County of Monterey, Health Department	\$1,499,117.00	Monterey County's project includes a centralized mobile crisis call center to triage calls and dispatch CCMU teams; expansion of mobile crisis field operation infrastructure, including vehicles and equipment; and training.	Monterey	Implementation
20	County of Nevada	\$1,250,000.00	The new Nevada County Mobile Response Team is designed to provide mobile mental health crisis intervention and support to children and adults in the community.	Nevada	Implementation
21	County of Orange	\$10,650,000.00	This grant supports coordination, assessment, building capacity, and completion of the Orange County Mobile Crisis Action Plan (OC-MCAP).	Orange	Implementation (Transitioned from Planning Grantee in 2023)
22	County of Placer	\$4,000,000.00	Placer County's development of an integrated mobile crisis system includes additional staff, increased training, and a focus on coordination. It aims to be more readily available in the southern, most populated, area of the county, and expand to mid-county areas that have also been hard-hit by the pandemic.	Placer	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
23	County of Riverside - Riverside University Health System – Behavioral Health	\$15,950,000.00	Riverside University Health System-Behavioral Health is expanding mobile crisis service teams throughout Riverside County and increasing access to existing mental health and/or substance use disorder services.	Riverside	Implementation
24	County of San Diego	\$18,000,000.00	San Diego County's project includes 18 new crisis response teams with 24/7 coverage. Goals are increasing health equity, diverting individuals from higher levels of care, increasing safety, and reducing law enforcement interventions	San Diego	Implementation
25	County of San Joaquin	\$1,934,581.00	The goal of this expansion is to enable faster response from clinical teams to effectively deescalate and stabilize individuals on the verge of a psychiatric crisis, preventing inappropriate arrest or hospital admission. Expansion also enables behavioral health systems and law enforcement to support each other.	San Joaquin	Implementation
26	County of San Luis Obispo Behavioral Health Department	\$1,500,080.00	San Luis Obispo County's CCMU project is designed to expedite dispatch, expand coverage, and improve responses, thereby reducing the impact of crises among students and those in underserved rural areas.	San Luis Obispo	Implementation
27	County of San Mateo	\$1,277,799.00	San Mateo County is identifying gaps in mobile crisis services within their Crisis Continuum of Care and has developed an action plan to fill those gaps, by implementing a 24/7 comprehensive mobile crisis response system utilizing Mobile Response and Stabilization Services (MRSS) model of a clinician plus a peer specialist to respond to all behavioral health crises 24/7, in the county.	San Mateo	Implementation (Transitioned from Planning Grantee in 2023)

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
28	County of Santa Clara	\$2,535,950.00	This program is designed to enhance 15 behavioral health mobile crisis teams by providing access to Peoplesoft software, a shared platform used by crisis dispatch and referral sources. Funding also provides training and staffing to support the teams in the field	Santa Clara	Implementation
29	County of Santa Cruz	\$4,667,479.00	This program is designed to expand the continuum of crisis services for residents of Santa Cruz County, particularly those age 25 and younger, providing high quality, evidence-based practices through field-based mobile models.	Santa Cruz	Implementation
30	County of Siskiyou Health and Human Services Agency, Behavioral Health Division	\$ 1,610,266.00	Siskiyou is assessing each quadrant of the county for crisis service needs and developing a mobile crisis action plan to improve behavioral health outcomes in the community.	Siskiyou	Implementation (Transitioned from Planning Grantee in 2023)
31	County of Solano	\$750,000.00	The Solano County CCMU program is designed to expand mobile crisis services to a larger geographic area, by increasing the number of service providers and improving infrastructure for long-term sustainability.	Solano	Implementation
32	County of Sonoma	\$2,929,779.00	Collaboration across Sonoma County is designed to expand response to community members in crisis by providing quality, evidence-based practices through field-based models, with a focus on the most vulnerable populations	Sonoma	Implementation
33	County of Tulare Mental Health Branch	\$4,000,000.00	Funding is allocated to supervisory and clinical support for mobile crisis units, annual and specialized intervention and suicide prevention training for clinical staff, mobile crisis team telehealth, and other equipment needs. Also included is outreach and engagement with agency partners and stakeholders.	Tulare	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
34	County of Tuolumne	\$664,948.00	Tuolumne County has dedicated 2.5 FTE its Crisis Assessment and Intervention Program workforce, including relief peer specialists and behavioral health workers, to support dispatch and provide mobile crisis response. The project also includes outfitting the crisis mobile response team with technologies needed to provide crisis services, connect people to additional resources, and facilitate access to the department's electronic health record system.	Tuolumne	Implementation
35	Glenn County Health & Human Services Agency	\$500,000.00	Grant funds support the purchase of (1) vehicle for use as a mobile clinic in the community 24/7. Activities include crisis assessment, de-escalation, and treatment services.	Glenn	Implementation
36	Imperial County Behavioral Health Services	\$4,249,620.00	Imperial County's CCMU services in the community (including local hospitals, outpatient clinics, and colleges) target people experiencing psychiatric or emotional distress of any age, with emphasis on individuals ages 25 and younger.	Imperial	Implementation
37	Kern County Behavioral Health and Recovery Services	\$869,089.00	CCMU grant funding will be utilized in Kern to expand Mobile Crisis Response infrastructure and implementation through the purchase of additional vehicles, radios, community identifiable shirts, IT equipment, and marketing materials. It is our goal to make MCR a known resource throughout the community.	Kern	Implementation
38	Kimaw Medical Center	\$1,000,000.00	Grant funds support the purchase of a mobile medical unit and the creation of a new mobile crisis team that collaborates with law enforcement and other first responders.	Humboldt	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
39	Los Angeles County Department of Mental Health	\$54,005,000.00	LA County is adding 50 new mobile crisis teams and enhancing 30 existing teams to provide a reliable default alternative to law enforcement response for individuals experiencing behavioral health emergencies.	Los Angeles	Implementation
40	Mariposa County	\$1,649,232.00	Mariposa County Behavioral Health's CCMU Team responds to crisis incidents in the community, jail, schools, hospitals, and other areas where crisis services are needed.	Mariposa	Implementation
41	Mendocino County Behavioral Health and Recovery Services	\$3,742,392.00	Mendocino County is expanding current mobile crisis services, including developing additional crisis teams, to provide mental health crisis response throughout the rural and remote county.	Mendocino	Implementation
42	Merced County	\$2,500,000.00	Merced County is addressing the demand for timely youth crisis and aftercare services. Funding supports the hiring of a mental health worker and two peer support specialists, the purchase and maintenance costs of three vehicles, training, and expansion of service capacity.	Merced	Implementation
43	Modoc County Behavioral Health	\$928,998.00	The new Modoc County Mobile Crisis Response Team is designed to respond and provide field based mobile behavioral health crisis interventions and support to children, families (FURS) and adults throughout the County.	Modoc	Implementation
44	Napa County	\$750,000.00	The Napa County Mobile Response Team is designed to provide mobile mental health crisis intervention and support to children and adults in the community.	Napa	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
45	Sacramento County	\$2,709,199.00	Sacramento County, which has relied on law enforcement and emergency departments to address the needs of individuals experiencing mental health crises, is adding three behavioral health teams with the ability to respond 24/7.	Sacramento	Implementation
46	San Benito Behavioral Health	\$823,516.00	Grant funds will support San Benito County in developing a collaborative mobile crisis system with county, community, and local law enforcement to provide 24/7/365 crisis support. This will include improvements to infrastructure such as vehicles, equipment, and training.	San Benito	Implementation
47	San Bernardino County	\$7,703,122.00	San Bernardino County is adding 6 new teams and enhancing 18 existing teams. The project includes a crisis contact center to triage all behavioral health crisis calls from a central location and dispatch mobile crisis units strategically placed throughout the county.	San Bernardino	Implementation
48	Shasta County Health and Human Services	\$581,211.00	Shasta County's CCMU program is designed to enhance coordination of existing teams while adding a unit. The enhancement deepens the scope and expands the range of crisis care and non-crisis mobile response in Shasta's communities.	Shasta	Implementation
49	Sierra County Behavioral Health Department	\$631,580.00	Sierra County Behavioral Health is collaborating with community partners and stakeholders to further develop an action plan to enhance and expand crisis response. The enhancement will broaden the scope of support to beneficiaries and community members.	Sierra	Implementation

#	Contracted Agency Name	Award Amount	Contracted Agency Description	Counties Served	Type
50	Stanislaus County Behavioral Health and Recovery Services	\$4,499,920.00	Stanislaus County's CCMU program is designed to: (1) enhance the current crisis program within the Modesto Police Department by embedding two new CCMU teams with patrol officers and (2) implement a new crisis program within the Stanislaus County Sheriff's Office by embedding two new CCMU teams with first responders (EMTs).	Stanislaus	Implementation
51	Sutter-Yuba Behavioral Health	\$2,250,270.00	Sutter-Yuba Behavioral Health is collaborating with local partners and community stakeholders to develop an action plan for crisis mobile response system to serve youth.	Sutter	Implementation (Transitioned from Planning Grantee in 2023)
52	Tehama County Health Services Agency	\$1,000,277.00	The new Tehama County Mobile Crisis Team is designed to provide mobile mental health crisis intervention and support to children and adults in the community.	Tehama	Implementation
